
FARHAN SIDDIQUI

Copywriter · Direct Response · Content Strategist

✦ +91 9317605548 · aquavirus2010@gmail.com · Nahan, Himachal Pradesh, India

44% EMAIL CTR · 4+ YRS EXPERIENCE · QLS DISTINCTION · 9.5 CGPA

◆ PROFESSIONAL SUMMARY

Certified copywriter holding a QLS Level 4 Diploma with Distinction from the College of Media and Publishing, UK (CGPA 9.5) — accredited by the Quality Licence Scheme and CPD Standards Office. Brings 4+ years of hands-on freelance experience writing high-converting copy for global clients including Iman Gadzhi (IAG Media), Cardinal Mason, Lionbridge, and Toyota. Proven across email marketing, SEO blog writing, press releases, VSL scripts, leadership articles, newsletters, PPC ads, and social media copy. Additionally experienced in QA game testing and AI content training — bringing a precise, quality-driven eye to every brief. Strong advocate for human-written content that maintains authenticity and emotional resonance. Music producer specializing in FL Studio with active YouTube presence as Aurenix, blending acoustic warmth into electronic production. Achieved a verified 44% email CTR — more than 20x the industry average. Highest freelance project payment: \$1,000 USD.

◆ PROFESSIONAL EXPERIENCE

Freelance Copywriter — Iman Gadzhi (IAG Media) 2021 – 2025 · Remote

Wrote email sequences, VSL scripts, and sales copy for high-ticket online education and digital marketing funnels.

Produced SEO-optimised blog posts and leadership articles to build brand authority and organic traffic.

Maintained consistent brand voice across campaigns targeting aspiring entrepreneurs and business owners.

Contributed to campaigns generating industry-leading CTR performance of 44% on email marketing.

Freelance Copywriter — Cardinal Mason 2021 – 2025 · Remote

Crafted direct-response email copy, newsletters, and digital product campaigns for coaching and info-product audiences.

Developed blog posts, leadership articles, and social media copy to support brand positioning and audience retention.

Applied Dan Kennedy direct-response frameworks to maximise conversions across short and long-form copy.

Freelance Copywriter — Independent Clients (incl. Toyota) 2021 – 2025 · Remote

Wrote marketing emails and SEO blog posts for Toyota Camry product promotion campaigns.

Delivered press releases, advertorials, newsletters, PPC ad copy, and brand scripts across multiple sectors.

Managed the full copy workflow — research, drafting, editing, and final delivery — to tight client deadlines.

Clients included automotive, FMCG, SaaS, non-profit, fashion, and e-commerce brands.

QA Game Tester & Content Evaluator — Lionbridge 2022 – 2023 · Remote

Performed quality assurance and linguistic testing on game content, identifying bugs and inconsistencies.
Reviewed and improved AI-generated copy for accuracy, tone, and readability as part of AI training datasets.
Developed a rigorous attention to detail and precision — directly transferable to high-quality copywriting.

- ★ **Parade Bearer** — served as official parade bearer, demonstrating leadership and community involvement.

◆ INTERESTS & PASSIONS

Music Production (FL Studio) — active music producer and developing recording artist operating under the YouTube channel and artist name Aurenix. Specializes in blending acoustic warmth into electronic production, creating layered compositions with piano pluck, pads, electric guitar, and acoustic guitar as core elements. Influenced by BTR, Kygo, and Clean Bandit. Skills in audio storytelling and creative direction directly inform compelling narrative-driven copy.

Mathematics Enthusiast — passionate about studying mathematics and problem-solving. Enjoys exploring complex mathematical concepts and their practical applications.

Culinary Explorer — loves experiencing and enjoying diverse cuisines and food cultures from around the world. Appreciates the artistry and storytelling behind different food traditions.

Human-Written Content Advocate — strong believer in the irreplaceable value of authentically written human content. Prioritizes crafting genuine, emotionally resonant copy that maintains personal voice and originality over algorithmically-optimized or AI-generated alternatives.
