PROFESSIONAL SUMMARY

Marketing graduate from Guru Nanak Khalsa College with practical experience in brand management, influencer marketing, and digital campaign execution. Managed 700+ daily content interactions across D2C campaigns for brands including Carbamide Forte and Bare Anatomy, with hands-on exposure to e-commerce platforms, audience segmentation, and campaign performance analysis. Strong foundation in consumer behaviour, market research, and brand strategy built through coursework and two back-to-back internships in Mumbai. Looking to grow in a brand, marketing, or product role where close attention to detail, ownership, and curiosity about what moves consumers actually matter.

WORK EXPERIENCE

Campaign Management Intern

OPA Influencers, Mumbai

Jun 2025 – Sep 2025

- Oversaw end-to-end management of influencer campaigns with **700+ daily content interactions**, maintaining quality standards and brand voice across all touchpoints.
- Ensured **100% brand compliance** for Carbamide Forte, Bare Anatomy, and other D2C brands on Instagram and major e-commerce platforms, reducing revision cycles by streamlining approval workflows.
- Coordinated a creator network across campaign timelines, driving **on-time delivery** and smooth cross-functional execution.
- Collaborated with brand teams to align influencer content with product launch calendars, contributing to increased campaign reach.

Digital Marketing Intern

Chandrakant Bagal and Associates, Mumbai

Apr 2025 – May 2025

- Leveraged AI tools (ChatGPT, Adobe Firefly) to accelerate content creation, market research, and workflow optimisation, **reducing manual research time by ~30%**.
- Executed target audience analysis and customer segmentation for service marketing campaigns, **improving campaign relevance** and lead quality.
- Supported lead generation pipeline through digital outreach, prospecting, and CRM database management, contributing to a **consistent flow of qualified leads**.
- Analysed campaign performance metrics to **refine targeting strategies** and improve client acquisition efficiency.

EDUCATION

Bachelor of Management Studies (BMS) – Marketing

Guru Nanak Khalsa College, Mumbai University

2023 – 2026

Grade: A

Relevant Coursework: Marketing Management · Consumer Behaviour · Brand Management · Market Research · Digital Marketing · Advertising · Business Strategy

PROJECTS

Cetaphil – Consumer Research Report

- Surveyed 60+ users to assess product perception and satisfaction; identified key pain points and presented data-backed improvement recommendations
- Findings translated into actionable inputs for product positioning and brand communication strategy

Influencer Campaign Engagement Analysis

- Analysed campaign data in Google Sheets to surface engagement trends across content types and posting windows
- Proposed performance optimisation strategies based on findings, converting raw data into clear, structured recommendations
