PROFESSIONAL PROFILE

Driven and detail-oriented BBA graduate (SGPA 8.80/10) with hands-on experience in business operations, HR workforce research, project coordination, and professional documentation. Analytical thinker with a structured approach to problem-solving, strong written communication skills, and the ability to manage multiple priorities simultaneously. Selected for the McKinsey Forward Programme from a globally competitive pool — developing skills in strategic analysis, process thinking, and organizational effectiveness. Passionate about contributing to operations, marketing, or HR functions in a professional, growth-oriented organization in Kochi.

CORE SKILLS

Operations & Project Management:

Project Coordination and Planning | Process Documentation | Operational Reporting | Vendor and Stakeholder Management | Scheduling and Timeline Management | Cross-functional Team Coordination

Marketing & Digital:

Marketing Strategy and Campaign Support | Consumer Behaviour and Market Research | Content Planning and Brand Communication | Social Media Awareness | Competitor Analysis | Presentation and Report Design

HR, Admin & Documentation:

HR Research and Workforce Analysis | Employee Documentation and Record Keeping | Training Support and Coordination | Data Entry and Database Management | Microsoft Word, Excel, and PowerPoint | Professional Business Writing | Filing and Information Management

PROFESSIONAL EXPERIENCE

Business Operations Consultant | Breezy Consultancy, Kochi

2026 – Present

- Coordinate operational workflows across multiple client accounts, managing documentation, scheduling, reporting, and stakeholder communication
- Develop structured business process frameworks, operational plans, and client-facing reports with clear data-driven insights
- Support marketing and brand communication activities for retail and service sector clients, including campaign planning and competitor analysis
- Maintain organized project records, action logs, and version-controlled documentation across all client engagements

HR and Operations Research Intern | TR Hospital Furniture, Aluva

Dec 2025 – Feb 2026

- Designed and executed a structured HR research project on employee stress management, collecting and analyzing data from 50+ respondents
- Produced a formal documentation report with 5 data-driven HR recommendations presented directly to organizational management
- Supported operational administration including record keeping, scheduling, cross-departmental coordination, and process documentation
- Demonstrated strong analytical, documentation, and professional communication skills throughout the project lifecycle

Project Coordinator – Mercato Annual Business Festival | MES College Marampally

2025 | 300+ Attendees

- Coordinated end-to-end project planning and execution for a 300+ attendee business festival across 8 departments and external vendors
- Managed budgets, timelines, vendor documentation, operational registers, and scheduling with precision throughout the project lifecycle
- Prepared post-event reports, performance documentation, and process review materials for college leadership
- Resolved 15+ real-time operational issues under pressure — recognized by leadership and invited to lead future institutional projects
