CAREER OBJECTIVE

Enthusiastic and detail-oriented fresher with a strong foundation in AI Integrated Digital Marketing, seeking an entry-level opportunity to apply my skills in SEO, social media marketing, and Meta Ads. I aim to contribute to business growth by leveraging data-driven strategies, creative content, and AI-powered tools while continuously learning and developing in a professional environment.

EXPERIENCE

E-commerce Entrepreneur

2022 - 2023

Managed a dropshipping business from 2023 to 2025 alongside academics, promoting electronic gadgets, shoes, and slippers through social media marketing. Utilized content creation, audience targeting, hashtag strategy, and engagement techniques to increase reach and visibility, applying practical digital marketing methods prior to formal training in AI Integrated Digital Marketing.

CERTIFICATIONS & TRAINING

AI Integrated Digital Marketing from Tuem Hub

2025 - 2026

- Worked on social media marketing strategies
- Learned content creation and campaign basics
- Basic understanding of SEO and online promotion

Microsoft Office Practical Course

2025 (6 months)

- Created reports using Word
- Worked with Excel sheets for data handling
- Designed presentations using PowerPoint

EDUCATION

2024 - 2025

Blue Wings Academy

Diploma in Airline & Airport Management

Learned airport operations, passenger handling, and airline services. Developed communication skills, customer service knowledge, and understanding of safety procedures and professional behavior in aviation industry.

2022 - 2024

Vaduthala Jama-ath

Higher Secondary (XII)

Studied accounting, business, and economics basics; developed analytical thinking, financial understanding, and communication skills.
