WORK EXPERIENCE

Techmindz APRIL 2025-MAY 2025

Marketing Intern

As a Marketing Intern at TechmindZ, I actively supported the marketing team in planning and executing digital marketing and branding initiatives. I was involved in creating and managing content for social media platforms, assisting in campaign planning, and monitoring basic engagement metrics. The role provided exposure to brand positioning, audience targeting, and content strategy. Additionally, I collaborated with cross-functional teams, improved communication and coordination skills, and gained practical understanding of real-world marketing operations in an education-focused organization.
