PROFESSIONAL SUMMARY

Strategic Senior Copywriter and Content Strategist with 5+ years of experience in content lifecycle management, B2B storytelling, and editorial governance. Proficient in leveraging Generative AI tools like ChatGPT, Claude, and Copilot to optimize content workflows and research. Proven track record in executing high-visibility content strategies that leverage Search Intent Analysis and KPI tracking to drive conversion and engagement. Expert in aligning complex business concepts with organizational editorial strategies, ensuring strict adherence to compliance and brand guidelines. Skilled in cross-functional collaboration with design teams to deliver impactful, cohesive B2B assets.

PROFESSIONAL EXPERIENCE

Senior Research Analyst at MattsenKumar LLC.

Aug 2021 – Oct 2023 | Remote

- Led the end-to-end content lifecycle for white papers, research articles, and ESG reports, implementing style guide development and content governance to ensure high-quality, authoritative outputs.
- Developed and executed comprehensive content strategies for B2B/B2C clients, utilizing Search Intent Analysis and KPI tracking to optimize conversion rates and drive a measurable increase in organic traffic and user engagement metrics.
- Managed multiple high-visibility creative projects, including newsletters, mailers, videos, and brochures, ensuring alignment with brand voice, editorial strategy, and stakeholder requirements.
- Conducted rigorous ESG risk assessments and sustainability reporting for corporate initiatives, ensuring data integrity and full alignment with regulatory compliance frameworks including GRI, SASB, and TCFD.
- Wrote research articles and impact notes on Sustainable Development Goals (SDGs) covering topics related to tax evasions, climate change, GHG emissions, data and security breaches, human rights and labor abuses, pollution, money laundering, anticompetitive practices, product quality and safety, employee diversity and inclusion, energy management, water management, affordability, and pricing, etc.
- Sourced marketing data from existing sources, keeping costs down and diversifying streams for maximum usefulness. Provided objective, unbiased editorial feedback and mentorship to junior writers, ensuring the highest quality standards and consistency across all deliverables.
- Managed the design team and mentored junior designers to improve design quality and efficiency. Created wireframes, prototypes, and high-fidelity mock-ups for a variety of web and mobile projects. Worked closely with clients to understand their needs and goals and translate them into effective design solutions.

Specialist – Academic Products at K-12 Techno Services Pvt. Ltd.
