INTERNSHIP

May'23-Jul'23, Fujifilm India Pvt. Ltd., Gurugram as Marketing Trainee Intern

Key Result Areas:

- Conducted extensive market research to gather feedback on underperforming products, identifying key factors contributing to sales decline and providing actionable insights for improvement.
- Collaborated with the Sales Team on field visits, assisting in the development of strategies to enhance customer engagement and drive sales performance.
- Created comprehensive sales toolkits, including brochures and reference materials, designed to support both current and new Sales Team members in their efforts to achieve sales targets.
- Assisted in organizing a three-day training program for new recruits, managing logistics, scheduling, and content development to ensure a smooth onboarding experience.
- Developed engaging content for marketing materials, including posters and digital assets, while coordinating with external agencies for production and distribution.
- Enriched the company database by systematically updating and maintaining accurate records, ensuring that the Sales and Marketing Teams had access to the latest information.
- Supported the HR Team in executing various initiatives aimed at enhancing employee engagement and fostering a positive workplace culture.
- Engaged in cross-functional collaboration with various teams, facilitating knowledge sharing and promoting a cohesive working environment.
- Performed the analysis of customer feedback data, leading to the identification of key product features that required enhancement, which informed the marketing strategy and product development roadmap.
