PROFILE

Dedicated and hardworking communications specialist with a strong educational foundation in English and sociology. Skilled in writing, research, and effective communication to write compelling articles, conduct research, and communicate effectively will be essential. Passionate about creating impactful content and connecting with diverse audiences.

WORK EXPERIENCE

News reporter

Janmabhumi daily

- Involved in various tasks related to journalism, writing, and editorial processes.
- it helped in researching, fact-checking, writing articles, editing content, and contributing to the overall publication.
- This gave me an excellent opportunity to gain practical experience in the field of media and communication.

Content Writer

An article in our college magazine

- Authored an article in English for our college magazine, demonstrating strong communication skills and the ability to convey information effectively.
- Research industry-related topics by combining online sources, interviews, and studies.

Seminar

Center for professional and advanced studies

- Conducted by institute of communication and journalism
- This gave an immense opportunity to understand the opportunities in journalism
- This gave an opportunity in crafting clear and impactful message for interviews and articles
