Paper Presentation

Humans as a Part of Nature: Ecocriticism in "Into the Wild".

12/2022

Presented a paper at the National Seminar on 'Discourses on Geoethics and Development' organised by the Department of English, Giripeedam Institute of Advanced Learning, Kottayam, Green Leaf and Climate School, analyzing ecological themes in the film "Into the Wild" within the framework of ecocriticism.

Thesis

1. The Game of Life and Death: Approaching "Gone Girl" and "Lamb to the Slaughter" through Game Theory.

- Researched and analyzed the intricate narratives of two literary works, employing game theory to delve into themes of deception, manipulation, and survival within cinematic contexts.

2. A Glance Through the Consumerist Society: A Study on "Fight Club".

- Examined the socio-cultural landscape depicted in "Fight Club," conducting a comprehensive analysis of consumerist themes and societal critiques within the film.
