

# Arsha Shyjan

## Professional Summary

Creative Content Writer with a Master's degree in Journalism and Mass Communication and over a year of professional experience in content writing, editing, and digital marketing. Skilled in crafting engaging and informative content across a wide range of topics, with a strong ability to adapt to different styles and guidelines. Looking to leverage my experience in writing and communication to contribute to copy writer role.

## Work Experience

### Creative Content Writer

#### **2Hats Logic Solutions — Kochi, India**

August 2023 – Present

- Write and edit content for the company's web and eCommerce development services, including SEO-optimized articles, blog posts, and service pages.
- Contribute to the development of marketing strategies and collaborate with cross-functional teams to ensure cohesive content delivery.
- Work within specific style guidelines to maintain brand consistency and voice across all content.
- Utilize SEO best practices to increase web traffic and improve search engine rankings.

### Reporter Intern

#### **24News Channel — Kochi, India**

December 2022 – January 2023

- Assisted in news gathering, conducted interviews, and wrote reports for broadcast journalism.
- Developed a strong understanding of the media landscape and sharpened my ability to deliver clear and accurate content under tight deadlines.
- Engaged in fact-checking and research to ensure the accuracy and reliability of news content.

## Educational Background

- **Master of Arts (MA) in Journalism and Mass Communication**

St. Teresa's College, Mahatma Gandhi University — Kerala, India  
Graduated: 2023

- **Bachelor of Arts (BA) in English Language and Literature**

Christ College Irinjalakuda, Calicut University — Kerala, India  
Graduated: 2021
