🌐 warpdwindow.blogspot.com

I am a passionate writer who firmly believes learning is a lifelong process and unlearning is equally important. Writing has grounded me among my other passions such as reading, music, movies, walking, and art. As a fresh content writer proficient in researching, writing, and editing diverse content, combined with my skill set (including hands-on experience with MailChimp & HubSpot), I am a reliable and resilient team player determined to achieve optimum results.

Experience

- **BaDastoor Foundation | Content and Copy Writer, Knowledge Consultant** *Oct 2022 – Mar 2023*
