Projects

Towards Subaltern Ecologies: Mapping the Spatial Margins in Anees Salim's *The Bellboy*

- Introduced and Theorized the concept of 'Subaltern Ecologies' by expanding the paradigm of subaltern literary analysis to incorporate ecological consciousness.

- Made detailed study of the primary text through the lens of subaltern studies as well as subaltern ecologies to highlight the differences between the two.
- The result revealed how marginalized Muslim minorities in the novel became subaltern subjects and the final chapter examined how environmental crisis further amplified their subaltern subjectivity by immobilizing them in the spatial margins.

Between the American Dream and The Absurd, A Study of Existentialism in Richard Linklater's 'Boyhood'

- Synthesized the convergence of the American dream and the tenets of Absurdism according to the Philosophies of Nietzsche, Camus and Sartre.
