Profile

A recent and enthusiastic digital marketing graduate with a strong foundation in SEO, social media marketing, and content creation. I am a creative, detail-oriented professional who quickly adapts to evolving industry trends. I am eager to contribute my skills to a forward-thinking team and help drive successful digital marketing campaigns.

Work Experience

Digital Marketing Associate | Team Thai
(2024 - Present)

- Develop and design engaging social media content tailored to various platforms.
- Write compelling copy for social media posts, ads, and other marketing materials.
- Create, manage, and optimize advertising campaigns on Meta platforms (Facebook & Instagram).
- Develop and present monthly content calendars to align with marketing goals.
- Prepare and analyze detailed social media performance reports to track key metrics and provide insights.

Digital Marketing Intern | IPCS Global, Calicut
(2023)

- Conducted comprehensive website audits to identify areas for improvement.
- Created detailed technical SEO reports and provided actionable recommendations.
- Performed in-depth competitor analysis to identify strategic opportunities.
- Carried out keyword research to target relevant search terms and improve organic visibility.
- Executed link-building strategies to enhance domain authority.
- Wrote and published SEO-optimized content, including articles and blog posts.
