SUMMARY

A passionate and results-driven digital marketing enthusiast with a solid understanding of online marketing strategies and tools. Possessing a foundational knowledge of SEO, SEM, content marketing, social media marketing, and email campaigns, I am eager to apply these skills in a dynamic and growth-oriented environment. Proficient in using Google Analytics, social media platforms, and basic website optimization techniques. Equipped with strong communication, creativity, and problem-solving abilities, I am excited to contribute to the digital marketing landscape and gain hands-on experience to further develop my career.
