EXPERIENCE

2024 - Present	Digital Marketing Executive	GTM Holidays,kochi
- Developed and executed comprehensive email marketing campaigns targeting GCC clients, resulting in increased engagement and improved conversion rates. - Implemented SEO strategies (on-page and off-page) that significantly improved website traffic and Google ranking for targeted travel keywords. - Spearheaded social media marketing strategies for the company and its CEO, enhancing brand presence, authority, and customer trust across platforms like Facebook, Instagram, YouTube, X, and Pinterest. - Crafted compelling content (blogs, articles, destination write-ups, and social media posts) that showcased GTM Holidays' brand value and expertise. - Managed and optimized Meta Ads and Google Ads campaigns, achieving high ROI and generating a consistent flow of travel leads. - Handled multiple Meta Ads campaigns that resulted in measurable lead conversions and revenue growth. - Led search engine marketing (SEM) efforts to boost website visibility and organic traffic. - Coordinated and fixed key technical SEO issues and optimized landing pages to improve user experience and performance. - Analyzed campaign performance and implemented data-driven strategies to increase reach, CTR, and lead quality.		

- Conducted comprehensive website design, content development, and SEO marketing for a medical care center as part of a case study project.
- Performed in-depth competitor research and website analysis to identify opportunities for improving visibility and user engagement.
- Executed both on-page and off-page SEO strategies, resulting in improved keyword rankings and surpassing link-building targets.
- Managed daily PPC campaigns across platforms including Facebook, Google Ads, and Bing, achieving high CTRs and cost-efficient conversions across multiple client accounts.
- Produced detailed, reader-friendly SEO and digital marketing reports, offering insights and strategic recommendations to clients.
- Contributed to brand-building efforts through creative content development and storytelling, supporting a consistent and engaging digital presence.
