Mobile No: 6385219155 Email ID: balajivijay1818@gmail.com Location: Bangalore

Professional Experience:

Company Name:

Designation: Digital Analyst Intern

Project Name: Apollo Hospital

Duration: May 2025, Till Now.

- Developed and managed WordPress websites using popular builders such as Elementor and WPBakery, including theme and plugin customization.
- Optimized website content using comprehensive SEO strategies, including on-page SEO, off-page SEO, technical SEO, and local SEO techniques.
- Managed and optimized Google Ads campaigns, focusing on keyword targeting, ad copy, and bidding strategies across Search, Display, Lead Generation, Video, App Promotion, and Performance Max formats to drive traffic and improve conversions.
- Used Mailchimp for designing and sending email campaigns, managing subscriber lists, and analyzing performance metrics for engagement improvement.
- Tracked and analyzed website traffic, user behavior, and key performance metrics using Google Analytics, providing insights for data-driven decisions.
- Monitored website performance through Google Search Console, identifying and resolving crawl errors to improve organic search visibility.
- Managed and deployed tags using Google Tag Manager, while leveraging Microsoft Clarity to monitor user interactions, analyze heatmaps, and enhance website usability.
- Created interactive dashboards and comprehensive reports using Power BI, enabling deep analysis of business performance data.
