Best employee of the month

April 2024

I ranked Glads' website at the top of search engine results through careful on -page and off page SEO strategies. For on-page SEO, i optimised the site's content &made sure everything from the headlines to the meta description was set-up to attract search engines. For off page SEO, i focused on building strong links with other reputable site's, which helps improve the site's reputation and visibility.
