PROFILE

I am a motivated newcomer to the fast-paced world of digital marketing, possessing a solid foundation and developing proficiency in Search Engine Optimization (SEO). I stay up to date on the newest trends and best practices since I'm passionate about the digital world and want to be able to contribute effectively to any team. Through a variety of projects and real-world experiences, I have refined my abilities and have discovered how to optimize websites, find relevant keywords, and apply both on-page and off-page SEO tactics.

I know how to use SEO tools like Ahrefs, Semrush, and Google Analytics to assess performance and make informed judgments.
