Professional Summary

Digital Marketing Specialist with 1+ years of experience in full-funnel campaigns across Meta and Google Ads. Skilled in lead generation, SEO/SEM, CRO, and analytics. Proven ability to drive ROI and deliver actionable insights across industries. Ready to add value to a results-driven team.

Professional Experience

Digital Marketing Intern

Aug 2024 - Nov 2024

Quadcubes

- Conducted detailed website audits and competitor analysis to shape digital positioning and improve SEO performance.
- Planned, managed, and optimized full-funnel paid campaigns across Google Search and Meta, driving quality traffic and conversions.
- Developed data-driven marketing strategies using keyword research, performance reports, and analytics tools to enhance ROI.
- Tracked Google Ads campaigns with a focus on search intent, improving CTRs, reducing CPA, and refining audience targeting to maximize budget efficiency.
- Generated 100+ quality leads through Meta campaigns, achieving 127+ link clicks and 27K+ impressions in a single campaign.
- Created blog and social media content, tracked industry trends, and executed business development efforts to support lead generation and client acquisition.

Digital Marketing Executive / SMM

Jun 2023 - Feb 2024

Casadex (Ecommerce- Shopify)

- Developed and executed high-performing Meta and Shopify ad campaigns, contributing to ₹1 crore in revenue within a year with outstanding ROAS.
- Launched full-funnel Facebook and Instagram campaigns aligned with brand goals, collaborating closely with content, design, and web teams.
- Tracked key metrics such as CTR, conversion rate, CAC, and ROAS to optimize campaign strategies and improve performance.
- Ran targeted Shopify ads to drive product sales, increase store traffic, and scale eCommerce revenue through precise audience segmentation and conversion optimization.

- Developed and implemented SEO strategies to improve SERP rankings in competitive niches like iGaming and Crypto using on- page, technical, and backlink techniques.
- Collaborated with content and web teams to create AI-generated, search-optimized blog content aligned with search intent and audience needs.
- Used analytics tools (e.g.: Google Analytics, Google Search Console) to monitor keyword performance, identify content gaps, and refine content strategies.
- Resolved technical SEO issues such as crawl errors, indexing, and page speed to enhance website performance and ensure search engine compliance.
