Investment Advisor

Roles and Responsibilities:

1. Financial Planning and Analysis:
 - Assessed clients' financial needs, goals, and risk tolerance to develop tailored investment strategies.
 - Analyzed and recommended appropriate HDFC Life insurance and investment products, including ULIPs, retirement plans, and savings plans.
2. Portfolio Management:
 - Monitored and managed client portfolios to ensure alignment with their financial goals and market trends.
 - Conducted periodic reviews to update clients on portfolio performance and suggested changes when necessary.
3. Client Relationship Management:
 - Established and maintained long-term relationships with clients through consistent communication and excellent service delivery.
 - Addressed client queries, concerns, and claims, ensuring customer satisfaction and trust.
4. Sales and Business Development:
 - Achieved sales targets by promoting HDFC Life products and driving revenue growth.
 - Identified new business opportunities through referrals, networking, and market research.
5. Market Research and Insights:
 - Stayed updated on financial market trends, regulatory changes, and competitor products to provide informed advice to clients.
 - Analyzed investment performance data and economic indicators to guide client decisions effectively.
6. Regulatory Compliance:
 - Ensured adherence to compliance and regulatory guidelines set by IRDAI and company policies while advising clients.
 - Maintained accurate records of all transactions and communication for audit and regulatory purposes.
