I recently completed post graduation in Physics (Nanoscience and Nanotechnology) with a strong background in research and laboratory techniques. I use my knowledge and skills in physics to promote impactful contributions to scientific advancement.

EDUCATION

SSLC: 2017

Vivekananda Vidyalayam,
Muvattupuzha

Plus Two: 2017-2019

Government Model Higher Secondary
School, Cheruvattoor

BSc Physics : 2019-2022

Sree Sankara Vidyapeetom College,
Valayanchirangara

MSc Physics (Nanoscience and Nanotechnology) : 2022-2024

Mahatma Gandhi University ,Kottayam

SKILLS

- Laboratory techniques
- Problem solving and analytical thinking
- Time Management
- Origin
- Microsoft word, Excel and PowerPoint presentations

LANGUAGE

- Malayalam
- English
- Tamil

INTEREST

- Watching Movies
- Cycling
- Travelling

PROJECTS

- **Bladeless Fan (2022)**
Sree Sankara Vidyapeetom College, Valayanchirangara
- **Role of cerium doping in enhancing the electrochemical performance of ZrON- based supercapacitors (18.06.2024- 15.11.2024)**
IIT Madras, Chennai

CERTIFICATIONS

- **Fostering start-up ecosystem for commercialization of hydrogen technologies**
IIT Madras, Chennai, 2024
- **Perovskite solar cell fabrication under ambient conditions and a familiarization lecture on Commonwealth Scholarships**
Mahatma Gandhi University, Kottayam, 2023
- **Synthesis of Papain-Urea Ointment and Biogenic Synthesis of Fe₂O₃ Nanoparticles**
Mahatma Gandhi University, Kottayam, 2023

ACHIEVEMENT

Achieved 8th position in Nanoscience and Nanotechnology at Mahatma Gandhi University, Kottayam

EXTRA CURRICULAR ACTIVITIES

- NSS Student at Sree Sankara Vidyapeetom College, Valayanchirangara

DECLARATION

I Venna.N.Nair, declare that the above information are true and correct to the best of my knowledge
