# DR. ANJALY BIJOY P

## GENERAL DENTIST

## PROFILE SUMMARY

A curious and disciplined dental graduate with a strong academic foundation and hands-on experience in diverse dental procedures. Committed to delivering patient-focused care while staying aligned with evidence-based practices and innovations in dentistry.

## WORK EXPERIENCE

- Successfully completed a one-year rotatory internship across all major dental departments ( 2024-2025)
- Participated in several community dental camps, promoting oral health awareness and basic dental care.
- Performed radiographic interpretation and diagnosis of common oral pathologies.
- Executed routine dental restorations ,anterior root canal treatments and tooth preparations for crowns.
- Conducted oral prophylaxis, denture corrections, debonding and impressions
- Delivered complete and removable dentures as prosthetic work
- Assisted and performed major and minor dental extractions
- Trained in emergency medicine protocols relevant to dental emergencies
- Completed one week observership in palliative care, understanding multidisciplinary approaches in patient comfort and care.

## SKILLS AND INTERESTS

- Keenly interested in delivering dedicated and precise dental care while continuously enhancing clinical skills and patient management through hands on experience.
- Looking forward for social works, short research works ,case reports, citations and new innovations in dentistry
