ABOUT ME

I am a passionate motion graphic and graphic designer dedicated to creating visually engaging and impactful designs. With a keen eye for detail and a strong sense of creativity, I specialize in crafting animations, branding, and digital content that tell compelling stories. I thrive on transforming ideas into captivating visuals, always aiming to deliver innovative solutions that resonate with audiences. Constantly seeking to learn and grow, I enjoy collaborating with others to bring fresh perspectives to every project.

EXPERIENCE

BIG SOCIALS

Kaloor,kochi 2025-26 (6 months)

I have 6 months of hands-on experience in graphic design and motion graphics, during which I created visual content for social media, marketing materials, and brand campaigns. I worked with tools like Adobe Photoshop, Illustrator, After Effects, and Premiere Pro. I collaborated closely with creative teams to deliver visually appealing and brand-consistent designs, contributing to increased engagement across digital platforms.
