

Profile: -

I am a highly motivated and detail-oriented Senior Student Success Manager with over years of experience in international universities. My expertise includes robust analytical and problem-solving skills, allowing me to provide actionable insights for student recruitment, career counseling, and visa guidance in complex situations.

I excel in communication, both written and verbal, and possess a proven track record of success in team environments my primary goal is to contribute to organizational development by leveraging my expertise and experience.

I am deeply familiar with the evolving landscape of international markets, particularly in Europe, Australia, Canada, and the USA. I stay updated on current trends and developments in these regions.

In total, I bring 4 years of experience in the consulting sector to the table, with a significant focus on overseas student recruitment.
