SUMMARY

Results-oriented Digital Marketing Specialist with over 5 years of hands-on experience in performance marketing, project management, and full-spectrum digital strategy. Proven track record in driving ROI through Google Ads, Meta Ads, SEO, and content creation. Currently working as a Digital Marketing Manager at Datameris IT Solutions, where I lead cross-functional teams to deliver high-impact digital campaigns. Adept at leveraging analytics, creative tools, and digital platforms to optimize campaign performance and ensure client success. Committed to continuous learning and staying ahead in the evolving digital landscape.

WORK EXPERIENCE

Digital Marketing Specialist, Datameris IT Solutions Pvt Ltd **Nov 2023 - Present**

- Lead and manage end-to-end execution of performance marketing campaigns across Google Ads and Meta Ads for multiple clients across various industries.
- Develop campaign strategies aligned with client goals, ensuring high ROI, lead generation, and brand growth.
- Conduct SEO audits and optimization for client websites, improving visibility and organic traffic.
- Oversee a team of digital marketers and designers, ensuring smooth workflow and timely project delivery.
- Collaborate with clients to understand objectives and translate them into actionable ad and content strategies.
- Optimize campaigns through A/B testing, keyword research, audience targeting, and performance analysis.

Digital Marketing Executive, Planton Organic Experience Centre **Mar, 2023 - Oct, 2023**

- Developed and executed digital strategies for Planton Organic and Plantrich Agritech.
- Led Google Ads campaigns and conducted SEO efforts that significantly increased online visibility and user engagement.
- Created brand-aligned content for social media and websites, and managed e-commerce platforms including Amazon and Flipkart.

Digital Marketing Executive, Simons International Pvt. Ltd. **Nov, 2021 - Feb, 2023**

- Executed Meta Ads and SEO strategies, enhancing brand visibility and engagement.
- Analyzed website data and user behavior for campaign optimization.
- Designed and maintained multiple WordPress websites, ensuring optimal performance, responsiveness, and SEO compliance.
- Utilized web analytics tools to assess user behavior and refine digital strategies for continuous improvement.

System Administrator, Dianova Diagnostics Pvt Ltd **Feb, 2021 - Oct, 2021**

- Created and managed digital content across platforms and performed SEO optimizations for improved search performance.

- Monitored social media trends and audience engagement, providing insights for strategic adjustments.
- Supported technical and customer service operations while using tools like G Suite and CMS platforms.

Digital Marketing Executive, Nezzt Solutions

Oct, 2019 - Jan 2021

- Created and managed digital content across platforms and performed SEO optimizations for improved search performance. Designed, developed, and maintained WordPress websites for clients, implementing SEO best practices for enhanced search rankings.
- Executed social media marketing strategies along with Meta Ads tailored to client needs, driving increased brand awareness.
