SUMMARY

Digital Marketing Executive with 4 years of experience in SEO, social media marketing, Google Ads, and content creation. Experienced in handling B2B, real estate, and service-based projects, with strong skills in executing digital strategies, optimizing websites, managing paid and organic campaigns, and analyzing performance to support business growth.

EXPERIENCE

MatchValley Technologies – Digital Marketing Executive

2024 – 2025

- Planned and executed performance-driven lead generation campaigns across Meta Ads and Google Ads, including landing page optimization to drive high-intent leads.
- Developed and executed multi-channel digital marketing strategies across search engines, social media platforms, and email to increase brand awareness and reach.
- Independently managed end-to-end SEO and AEO initiatives across multiple digital assets, covering technical SEO, on-page optimization, and search-driven content improvements.
- Managed end-to-end creation of ad creatives, campaign copy, email newsletters, and social media content, maintaining a consistent brand voice across all platforms.
- Monitored and analyzed website traffic and campaign performance using GA4 and ad platform insights to identify trends and improve future campaign results.
- Tracked campaign performance, analyzed KPIs, and optimized campaigns to achieve client ROAS and engagement targets.

GALTech Technologies – Digital Marketing Executive

2022-2024

- Managed multi-channel social media profiles, creating content calendars and scheduling posts to maintain a consistent brand presence.
- Assisted in the execution of Google and Meta ad campaigns, including keyword selection, ad copywriting, and daily monitoring of campaign performance.
- Conducted routine SEO tasks and website maintenance to improve search engine rankings while supporting paid marketing initiatives.

Imagino Solutions Pvt. Ltd – Digital Marketing Executive

2021-2022

- Worked on website content updates, keyword mapping, and basic on-page optimization to improve page relevance and search visibility.
- Assisted in planning and managing paid ad campaigns, including ad setup, creative coordination, and performance monitoring.
- Updated website content and layout to enhance readability, mobile experience, and search performance.
