About Me

I am a driven digital marketing student currently pursuing an MBA in Marketing from IGNOU University, with a strong academic foundation in Economics. I have one year of experience as a Flight Operations Coordinator at AlhindAir, a startup, and two months of experience as a Digital Marketing Executive at Alhind Tours and Travels. My background has equipped me with strong analytical and strategic thinking skills, which I apply to digital marketing. I have hands-on experience in SEO, SMM, Google Ads, and YouTube SEO, and I'm eager to contribute to impactful digital marketing initiatives while continuing to grow professionally.
