Experience

CONSYST

Cochin, Kerala 05/2024 - Current

Digital Marketing Executive

Website Management & Growth Marketing

- Executed LLM-driven optimization (Google SGE, AI overviews, ChatGPT) to future-proof content for generative search.
- Applied Generative Engine Optimization (GEO), Answer Engine Optimization (AEO), and entity-based SEO to strengthen semantic visibility.
- Performed Google Search Console audits to resolve indexing and Core Web Vitals issues.
- Achieved a 30% increase in inbound leads and higher rankings across key clusters.

Email Marketing

- Designed segmented workflows in Zoho Campaigns with personalization and A/B testing, achieving up to 60% higher open rates.
- Nurtured leads through multi-step campaigns that guided audiences from awareness to bottom-funnel conversion readiness.

Creative & Brand Assets

- Designed flyers, brochures, branding assets, and print media using Canva and Adobe Illustrator

360° Content Marketing & Production

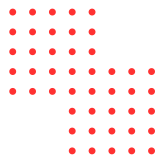

- Planned content with a multi-format strategy from the scripting stage (blogs, videos, shorts, reels, social posts).
- Created scripts and managed video production end-to-end, including cinematography and shooting.
- Handled post-production editing using DaVinci Resolve, optimizing assets for different platforms.

MAGNOLIA INTERACTIVE

Cochin, Kerala 05/2023 - 05/2024
