Corporate Work Experience: Kochi

Associate - Accounts payable (July 2025 - Present)

Sutherland Global Services, Kochi

- Respond to customer and vendor inquiries related to invoices, payments, and account balances in a timely and professional manner.
- Review, process, and verify invoices and payment requests in accordance with company policies and procedures.
- Provide exceptional customer service through clear, courteous, and professional communication.
- Achieved personal targets set by the team and pushed to break personal records.

Work Experience: Kochi

ML Intern (September 2024)

Tech by Heart, Kochi

- Evaluated and interpreted model performance using metrics such as accuracy, precision, recall, and F1 score; conducted error analysis to improve model robustness.
- Gained hands-on experience with core ML concepts including supervised/unsupervised learning, data preprocessing, feature engineering, and hyperparameter tuning.
- Contributed to the end-to-end development of machine learning models, including data collection, cleaning, model training, and evaluation using tools like Python, scikit-learn, pandas, and matplotlib.

Work Experience: Alappuzha

Student Placement Coordinator (April 2023 - April 2025)

Sree Buddha College of Engineering Pattoor

- Led the planning and execution of multiple placement drives and recruitment camps, ensuring smooth coordination between students, recruiters, and faculty.
- Collaborated with various academic departments and administrative units to align placement activities with student career goals and university standards.
- Acted as a liaison between students and potential employers, providing support in resume building, interview preparation, and company outreach.

Campus Lead (April 2023 - April 2024)

Sree Buddha College of Engineering Pattoor

- Spearheaded all on-campus activities for the community, including event planning, student engagement initiatives, and promotional campaigns, resulting in a 30% increase in active participation.
- Conducted comprehensive research and data analysis to assess student needs, measure event effectiveness, and inform strategic planning; utilized insights to tailor initiatives that improved campus visibility.
- Acted as the primary point of contact between the community and the university, maintaining clear communication and fostering long-term partnerships.
