JINU RAJENDRAN

Digital Marketing and Customer Support

I'm passionate about technology, customer support, digital marketing, and event organizing. I have over 10 years of experience in digital marketing, specializing in SEO, social media, Google Ads, and Amazon seller account management. At the age of 17, I was recognized by Google for supporting users in the Google Help Forums and was invited to visit several Google offices, including Google HQ in California, multiple times. Over the years, I've worked with clients from the US, UK, UAE, India and Germany, delivering impactful digital marketing strategies. Beyond marketing, I have organized more than 70 events in Calicut as the organizer of Google Developer Group Kozhikode and Flutter Kozhikode, both official Google-supported communities.
