ABOUT ME

I am a recent graduate with a Bachelor's degree in Computer Science and an Undergraduate program in Islamic Studies, combining technical proficiency with a strong foundation in ethical and cultural understanding. Recently, I started my professional journey as a Digital Marketing Intern at Mastered , where I gained hands-on exposure to business communication, client engagement, and strategic development . I am now seeking opportunities to grow professionally and apply my skills in technology, communication, and cross-disciplinary thinking in a dynamic work environment.
