- **Analytics & Insights:** Regularly monitored ad performance, website traffic, and customer behavior using analytics tools; generated reports with data-driven recommendations for continuous improvement.
- **Content & Engagement:** Designed and executed creative content strategies across digital channels, achieving consistent growth in **reach, engagement, and conversions**.
- **Social Media Growth:** Successfully managed **Instagram presence**, growing organically to over **1,000 followers** through authentic engagement and quality content.
- **Website Development:** Designed, developed, and managed the company's official website using **WordPress**, ensuring a user-friendly, responsive, and SEO-friendly site that enhanced brand credibility and customer experience.

ACADEMIC EXPERIENCE

Corpus Data Hub

During my academic journey, I actively engaged in practical projects and hands-on activities in the field of digital marketing, SEO, and content creation. These experiences allowed me to develop a strong foundation in both technical and creative aspects of marketing.

- **Search Engine Optimization (SEO):** Successfully implemented SEO strategies by conducting in-depth keyword research, competitor analysis, and optimizing blog content. This enhanced website visibility and improved organic reach on search engines.
- **Keyword Research for Targeted Marketing:** Conducted detailed research to identify high-value and audience-relevant keywords for promoting a Digital Marketing course. This helped in targeting the right audience and increasing enrollment interest.
- **Social Media Management:** Managed multiple social media platforms to strengthen brand presence, engage with audiences, and create meaningful interactions. Developed and shared engaging content to increase followers and reach.
- **Performance Marketing Campaigns:** Planned, managed, and executed performance marketing campaigns using Meta Ads and Google Ads. Focused on generating high-quality leads, driving targeted traffic, and maximizing return on ad spend.
- **Content Creation & Design:** Created compelling ad copies, posters, and visual content to support campaigns. Utilized **Canva** for graphic design and editing, ensuring professional and appealing creatives.
- **AI-Based Video Creation:** Leveraged AI tools to create engaging videos tailored for marketing campaigns and social media platforms, improving content diversity and audience engagement.

- **Google Ads Optimization:** Conducted thorough keyword research and applied optimization strategies to improve Google Ads performance. Managed ad campaigns effectively to achieve conversions and meet campaign objectives.

Through these projects, I gained practical exposure to digital marketing tools, advertising platforms, SEO techniques, AI-driven content creation, and campaign optimization, equipping me with both analytical and creative skills that are highly valuable in the marketing industry.
