PROFESSIONAL EXPERIENCE

Digital Marketing Team Lead

ProPlus Logics Solutions Pvt.Ltd - Coimbatore

July, 2023 – January 2025

- Designed and carried out digital marketing strategies including SEO, SEM, email marketing, and social media, resulting in a 30% increase in organic traffic.
- Managed and executed over 20+ successful projects focused on SEM and SMM, achieving measurable results in campaign performance.
- Managed paid advertising campaigns (PPC) on Google Ads, Facebook Ads, and LinkedIn, optimizing performance to achieve a 25% higher ROI.
- Conducted keyword research and implemented on-page and off-page SEO strategies, boosting search engine rankings for key product pages.
- Analyzed and reported on marketing performance using Google Analytics, providing actionable insights to improve campaign effectiveness.
- Experienced in managing relationships with clients from the United States.
- Created a process for WhatsApp bulk messaging using API integration to streamline and manage communication effectively.

Digital Marketing Manager

Blockbuster Technologies (Parent Company) - Kochi

February 2025 - Present

- **Mentor Colleges:** Led and executed digital marketing campaigns for college admissions, managing SMM, SMO, PPC, and SEO strategies. Oversaw daily ad budgets of ₹70,000+, generating 250–300 qualified leads per day. Crafted compelling retargeting campaigns with testimonial videos, resulting in 330 student admissions in three months for students scoring 70%+ in their 12th-grade exams.
- **Dreamcatcher Production:** Developed and managed promotional campaigns for production-related projects, aligning branding efforts with broader digital marketing initiatives to increase content reach and audience engagement.
- **IIST (Online Courses):** Drove quality lead generation through targeted online marketing, consistently maintaining a steady stream of prospective students for courses in Digital Marketing, Python, and UI/UX. Conducted weekly live digital marketing classes, providing hands-on instruction, answering student queries, and enhancing overall learner satisfaction and outcomes.
- **Dreamcatcher Study Abroad and India:** Engineered social media and content optimization strategies focused on attracting and nurturing high-intent leads for international academic programs, working to boost overseas enrollments while ensuring high engagement rates.
- Maintained agile content calendars, ensured timely and relevant content delivery, and used data-driven insights to optimize campaign performance across all business units.
- Regularly collaborated cross-functionally with internal teams to synchronize campaign efforts, share best practices, and uphold consistent brand messaging.

- Demonstrated strong project management, analytics, and leadership throughout all marketing initiatives, maximizing ROI and business growth.
