DIGITAL MARKETING EXECUTIVE

Results-oriented digital marketing professional with 1.3 years of campaign management, AI-powered marketing automation, and content strategy experience. Competent in social media management, SEO, SEM, and the use of CRM and automation platforms like GoHighLevel (GHL) and n8n to optimize campaigns and personalization. Knowledgeable about using generative media tools (WAN AI, Google Gemini's "Nano Banana") to produce highly engaging content. Skilled at applying prompt-engineering, analytics, and tracking solutions to increase visibility and drive measurable growth across social and paid channels.

SKILLS

SEO · SEM · Content Strategy · Social Media Management · Meta Campaign Optimisation · GoHighLevel (CRM) · n8n · Google Gemini "Nano Banana" · WAN AI (text/image/video generation) · Canva · WordPress (basic customization) · Google Ads · Google Analytics · Google Tag Manager

PROFESSIONAL EXPERIENCE

SOCIAL MEDIA EXECUTIVE, NEOGEN MEDIA

August 2024 - September 2025

- Ensure a smooth transition from sales to execution by onboarding new clients and acting as the main point of contact.
- After the onboarding process, analyze competitors to guide positioning and strategy.
- Create and carry out content and marketing strategies based on the goals of each client.
- To enhance lead nurturing and personalization, configure and oversee marketing automations and CRM setups in GoHighLevel (GHL).
- Create and implement knowledge bases, chatbots, and landing page funnels to expedite customer service and support.
- Run and optimize social media campaigns, both paid and organic, while keeping an eye on key performance indicators.
- For better ad performance, integrate Google Tag Manager (GTM) to monitor user behavior and launch retargeting campaigns.
- Perform SEO tasks for business websites, assisting in raising search engine rankings and website traffic.
- To guarantee prompt insights and decision-making, report daily ad performance to the head of digital marketing.
- Oversee and expand social media accounts for clients; work with internal technical and creative teams to meet client needs.
- Hold monthly and weekly client meetings to discuss performance, share insights, and improve strategies for a higher return on investment.

- Provided support in the execution of online marketing initiatives, such as the development of content, the management of social media, and the implementation of fundamental SEO strategies.
- Assisted the team in the development and scheduling of content for platforms such as Facebook and Instagram, thereby enhancing engagement and consistency.
- Applied and acquired the fundamentals of Google Ads, assisting in the planning of keywords and the setup of small-scale ads.
- Executed fundamental WordPress customizations to enhance the user experience and update website content.
- Prepared reports and monitored campaign performance metrics to comprehend audience engagement and reach.
- Strengthened foundational skills for future positions by acquiring practical experience with essential digital marketing tools
