## SUMMARY

---

Results-driven Product Marketer with extensive experience in lead generation, revenue growth, marketing automation, and strategic innovation. Proven ability to optimize processes, enhance conversions, and drive substantial ROI in the edtech, e-com sector. Adept at leveraging digital marketing, AI-driven engagement, and automation to scale business operations.

## PROFESSIONAL EXPERIENCE

---

### Growth and PPC Associate, Entri Software Private Limited

July 2023 - Sep 2025

- Drove a **1:8** spend-to-revenue ratio by managing a **₹1.5 crore+** ad spend, generating over **250,000+** leads with a revenue of **12 crore+**.
- Transformed social media into a high-impact revenue channel, generating **₹19.5** lakh in revenue from over **5,000+** leads, while simultaneously driving organic growth.
- Spearheaded lead automation that saved **5,824+** hours annually, increasing call connection rates to **45%**.
- Scaled referral revenue by **444%**, generating **₹12.5L+** with zero acquisition cost.
- Innovation & Strategic Collaboration : Spearheaded Meta AI chatbot pilot, securing a **₹4.2L** grant, generating **8,700+** leads and **₹12L** revenue. Overcame Meta's frequency capping, reducing ad costs from ₹0.88 to ₹0.33 per message.
- Piloted high-ticket upsell strategies, converting **35.96%** of targeted leads and generating **₹15 Lakhs+**.
- Led and onboarded a team of 3 associates within one month, enabling them to drive and execute on core marketing initiatives and deliver significant business impact.
- Improved team efficiency and collaboration by integrating generative AI tools into the video production pipeline, which streamlined workflows and reduced manual tasks.
- Executed end-to-end growth marketing strategies leveraging Google Analytics, Mo-Engage, and Mixpanel to optimize the user journey from activation and conversion to retention.
- Spearheaded mobile-first campaigns using WhatsApp Marketing and RCS, significantly improving user engagement and driving upsell revenue.

### Digital Marketing Consultant, Freelance

Mar 2021 - July 2023

- As a digital marketing consultant since 2021, I have advised 5+ clients on social media growth and conducted free webinars, benefiting 120+ students in digital marketing.
- For SEO and website optimization, I built a Wix website, improving its SEO score to 93 in 3 weeks through on-page and off-page strategies, keyword blogs, and weekly audits. I also leveraged Microsoft Clarity to analyze UX and reduce bounce rates.
