PROJECTS

WordPress Website & SEO

- **Comprehensive Website Creation:** Designed and developed a fully functional website using WordPress and Elementor, ensuring a user-friendly interface and responsive design.

- **SEO Optimization:** Leveraged tools like Yoast SEO and Ahrefs to enhance the website's search engine visibility, resulting in improved rankings and organic traffic.

Meta Ads Campaign

- **Targeted Ad Campaigns:** Successfully executed a Meta Ads campaign, precisely targeting specific demographics and interests to maximize ad reach and engagement.
- **Performance Optimization:** Continuously monitored and optimized the campaign, utilizing A/B testing and analytics to improve ROI and achieve campaign objectives.

Google Ads

- **Strategic Campaign Management:** Developed and executed a Google Ads campaign, focusing on keyword research and audience targeting to maximize ad visibility and click-through rates.
- **Budget Optimization:** Efficiently managed the campaign budget by analyzing performance metrics, leading to cost-effective ad spend and improved ROI.
