EXPERIENCE

React JS Developer

Jan '24 — Present

Summit Solutions

- Optimized application performance by conducting code reviews and implementing best practices, resulting in a 30% improvement in load times.
- Participated in Agile development processes, contributing to sprint planning and daily stand-ups to ensure timely delivery of features.
- Troubleshoot and resolved application issues, decreasing bug resolution time by 20% and enhancing application stability.
- Managed CI/CD pipelines in Azure DevOps to automate build and deployment processes.

React JS Developer

Jun '22 — Jun '23

Spericorn Technology

- Resolved bugs reported by the QA team, ensuring smooth application performance and stability.
- Implemented state management solutions with **Redux**, enhancing application performance and data flow efficiency.
- Implemented effective version control practices, ensuring smooth project workflows and maintaining a clear history of changes.

Customer Support

Mar '21 — Jan '22

CodeNext Technologies Pvt. Ltd

- Provided exceptional customer support services, addressing and resolving customer inquiries and issues promptly and effectively.

PROJECTS

Store Check

- is a centralized platform that streamlines store scheduling, and data management, optimizing trade marketers' daily operations.

ERP

- Catering specifically to mid-sized enterprises, with a focus on optimizing Human Resources Management (HRM) modules.

2Stay

- is a comprehensive web application designed to simplify and streamline the accommodation booking process for international students planning to pursue their studies in Australia. This platform facilitates a smooth interaction between students seeking accommodation and authorized agents responsible for requesting accommodations on their behalf.

NidhiSoft

- NidhiSoft is an application designed exclusively for Nidhi companies. It serves a dual purpose: creation and management of Know Your Customer (KYC) data while providing a robust platform for tracking data associated with a range of financial products, including gold loans, personal loans, fixed deposits, and recurring deposits.
