

# Sneha Subramanian

**Nationality:** Indian    **Date of birth:** 02/09/1998    **Phone number:** (+91) 7593988680

**Email address:** [snehasubramanianmutttooli@gmail.com](mailto:snehasubramanianmutttooli@gmail.com)

**Home:** Mutttooli House Kallurutty Post, 673582 Omassery (India)

## WORK EXPERIENCE

### Software developer

**HUBSPIRE IT SOLUTIONS PVT LTD.** [ 26/07/2021 – Current ]

City: Kochi | Country: India

#### Developed React.js Applications:

- Created engaging and interactive user interfaces using React.js to meet project requirements and enhance user experience.
- Utilized React's component-based architecture to modularize code and improve maintainability.

#### HTML and CSS Development:

- Implemented semantic HTML markup and CSS styling to ensure consistent and visually appealing designs across web applications.
- Employed modern CSS techniques and frameworks like Material UI
- Maintained code quality and consistency through the use of CSS preprocessors such as Sass

#### Routing with React Router:

- Implemented client-side routing using React Router to enable seamless navigation and state management within single-page applications.
- Configured nested routes and dynamic route matching to optimize user experience and application performance.

#### Firebase Data Integration for Chat App:

- Collaborated on integrating Firebase services to fetch and manage real-time data for a chat application.
- Utilized Firestore to store and retrieve chat messages, implementing Firebase authentication for secure user access.

#### Google Maps Integration:

- Integrated Google Maps functionality into web applications using React packages, allowing users to interact with maps and geolocation features.
- Used map markers, overlays, and event handling to enhance functionality and user experience.

#### Worked in GraphQL Applications:

- Implemented GraphQL queries to fetch and manipulate data in Applications.

#### Developed Applications from Scratch:

- Worked in a Two-Member Team to develop applications from scratch
- Played an active role in projects structured around Agile methodologies

## DIGITAL SKILLS

### Programming Skills

ReactJS / Javascript / HTML / CSS / Redux / Tailwind CSS / TypeScript

### Development Tools & Technologies

Git / Visual Studio Code / RESTful APIs / npm / Shadcn / Bitbucket

### Familiar with

Material UI / React Router / GraphQL / Firebase / Vitest

## EDUCATION AND TRAINING

### B-Tech in Computer Science and Engineering

**Vidya academy of science and Technology** [ 11/08/2017 – 16/07/2021 ]

City: Thrissur | Country: India | Website: <https://www.vidyaacademy.ac.in/>

## LANGUAGE SKILLS

**Mother tongue(s):** Malayalam

**Other language(s):** English | Hindi
