Way2online Interactive India Pt.Ltd I Hyderabad

PROJECT PROFILE :

Client : Way2Online Interactive India Pt. Ltd, Hyderabad, India

Project : TRUEPUSH, way2target

Role : Process Associate

Description:

We start by buying our domains and performing warm-up activities to improve the domain and IP reputation. In order to gain real subscribers from that website, we develop corresponding web pages for each domain. Then, based on the interests of our members, we begin deploying the advertising outside.

Responsibilities:

- Developing the initial email marketing strategies for promotion and transaction campaigns.
- Identifying the target audience for services of organization or brand, developing email lists and carrying out email marketing campaigns; proof reading emails and examining and accessing campaign performance.
- Actively monitored and resolved email deliverability issues to achieve overall delivery rate across internal business groups.
- Designated closer in Sales process, and overall problem solver due to wealth of industry experience and customer comfort level.
- Coordinated the Exact Target implementation, configured the campaigns within the application, and managed the relationship.
