WORK EXPERIENCE

Verticurl Marketing Pvt Ltd (June 2019 – Feb 2024)

Client Success Specialist:

- Led 15-20 concurrent marketing campaigns per month, collaborating with teams in ASMO and APJ, ensuring effective and timely execution.
- Maintained client relationships to drive retention and foster loyalty.
- Coordinated with a diverse team consisting of 15 internal members, 3 global clients, and over 10 creative agencies to ensure effective campaign execution.
- Designed and implemented A/B experiments for product emails, newsletters, Re-engagement & ABM nurtures, optimizing engagement and conversion rates.
- Collaborated with key stakeholders to identify pain points, develop and execute approved solutions, and monitor their sustainability.
- Achieved a 100% increase in client satisfaction ratings through prompt issue resolution and effective communication.
- Worked with Customer Success Managers to develop presentation materials, analyse campaign performance, and provide strategic insights for Quarterly Business Review presentations.
- Identified opportunities to increase revenue from existing clients.
- Knowledge of industry trends, best practices, and competitors, providing insights and recommendations to clients to help them stay ahead.

Client Service Executive:

- Served as the primary point of contact for understanding their business objective & delivery, overseeing adherence to SLAs and maintaining the highest standards of quality and timeliness.
- Developed and executed creative campaigns for clients, overseeing progress and fostering active customer engagement.

- Acted as a subject-matter expert and central liaison for key partnerships, ensuring exceptional service delivery and fostering partnerships conducive to customer retention.
- Collaborated with production teams and agencies to ensure campaign execution aligned with agreed-upon value propositions and clients expectations.
- Conducted regular client meetings, providing recommendations to enhance success in timelines, deployment, and workflows.
- Successfully managed high volumes of work in dynamic environments, consistently delivering projects and engagements with a focus on quality and timeliness.
- Fostered client relationships by promptly addressing inquiries, assessing needs, resolving issues, providing project updates, and proactively following up with existing clients. Scheduled and participated in client meetings and presentations as required.
