

Visakh Thekkinkovil

Market Research, Email & LinkedIn Campaign Specialist

LinkedIn

Profile

As Lead Market Researcher at Focaloid Technologies, I build sales databases and manage email campaigns using HubSpot., while overseeing research, mentoring, and hiring. Focaloid supports exploring new B2B technologies and ideas to find business through B2B.

I build and maintain databases, and provide email and LinkedIn outreach support, empowering the sales team to close deals in the ISV/SaaS sector, particularly for offshore development projects.
