CAREER OBJECTIVE

Results-oriented SEO Analyst with 1.6 years of hands-on experience in developing and executing comprehensive SEO strategies to enhance online visibility and drive organic traffic. Adept at data analysis, keyword research, and technical SEO, with a passion for staying ahead of industry trends. Seeking to contribute my skills in optimizing websites for search engine performance and collaborating with cross-functional teams to contribute to the growth of a dynamic organization.

PROFESSIONAL SUMMARY

SEO Analyst

UFS Technologies, Infopark Phase 2, Kakkanad, Ernakulam | December 2023 – Present

- Conduct comprehensive SEO audits and optimize websites for various niches including education, legal, hospitality, and food industries.
- Develop and implement effective keyword strategies across multiple niches, improving search rankings and driving organic traffic.
- Regularly perform competitive analysis to identify market trends and benchmark SEO performance.
- Utilize tools like Google Keyword Planner, Ahrefs, SEMrush, Screaming Frog, Moz, and WooRank for comprehensive keyword research, competitive analysis, and detailed site auditing to identify opportunities for optimization and performance improvement.
- Implement effective on-page and off-page SEO strategies, including meta tags, schema markup, and URL structures.
- Identify content gaps and opportunities to create high-performing SEO content aligned with user intent.
- Manage successful link-building campaigns, securing high-quality backlinks to boost domain authority and organic rankings.
- Monitor and analyze key website performance metrics using Google Analytics and Search Console, making data-driven improvements.
- Identify and resolve crawl errors, indexation issues, and site speed problems to improve website performance.
- Set up and configure conversion tracking in GA4 using Google Tag Manager for accurate performance tracking and reporting.
- Create comprehensive funnels in GA4 as part of report generation to track user journeys and optimize conversion strategies.
- Generate detailed monthly SEO reports and 6-month progress reports for clients, tracking KPIs and campaign success.
- Proficient in using Looker Studio for creating client-specific reports, visualizing key metrics and SEO performance.
- Collaborate with content, design, and development teams to integrate SEO best practices into all stages of content creation and site architecture.
- Successfully execute Local SEO strategies for businesses, improving their local search rankings and visibility.

Jr. SEO & Digital Marketing Executive (Intern)

Softloom IT Solutions, Kacheripady, Ernakulam | August 2023 – December 2023

- Conducted technical SEO audits, identifying issues like broken links, slow page load speeds, and mobile responsiveness.
- Conducted keyword research and competitive analysis to identify optimization opportunities and content gaps.
- Contributed to the development and execution of SEO strategies to boost client website visibility and overall performance.

- Optimized website content to improve search engine rankings and deliver a better user experience.
 - Utilized analytics tools, including Google Analytics, Google Search Console, Ahrefs, and SEMrush, to track key performance indicators such as website traffic, conversion rates, and user engagement.
 - Analyzed competitor backlink strategies to enhance content creation and SEO planning.
 - Supported off-page SEO efforts through link-building and securing relevant backlinks.
 - Conducted research on industry trends and competitor activities to identify emerging SEO and digital marketing opportunities.
 - Helped create SEO performance reports, highlighting key findings and improvements.
