PROFESSIONAL SUMMARY

Digital Marketing Executive with hands-on experience in SEO and social media marketing. Skilled in Google Analytics, SEMrush, and Ahrefs. Currently upskilling from digital marketing to SEO Executive, focused on delivering impactful SEO solutions. I specialize in optimizing website content, conducting thorough keyword research, and implementing effective link-building strategies to enhance search engine rankings. By staying updated on the latest SEO trends and algorithms, I ensure that my strategies are always aligned with the evolving digital landscape.
