PROFILE SUMMARY

A motivated and detail-oriented fresher with a strong foundation in digital marketing, website creation, and online advertising. Proficient in managing Meta Ads and Google Ads campaigns. Eager to apply my skills and knowledge to help businesses enhance their online presence and drive growth.

INTERNSHIP

Internship: Digital Marketing Executive

Company: One Team Solutions Editech Pvt Ltd, Kochi

Duration: July - november 2024

Description: Completed a 4-month transformative internship at One Team Solutions, where I played an active role in innovative digital marketing projects. I refined my skills by executing targeted campaigns, optimizing online strategies, and contributing to measurable growth in a dynamic, fast-paced environment. My responsibilities included campaign management, social media engagement, SEO optimization, and performance analysis, all aimed at achieving impactful results.

PROJECT

Website Development for Hair Salon

Designed a sleek, user-friendly WordPress website customized to highlight the salon's unique services. Enhanced visibility through effective SEO strategies to boost organic traffic and improve search rankings. Seamlessly integrated social media links, connecting the website with popular platforms for increased engagement and customer interaction.

META ADS & GOOGLE ADS

Managed Meta and Google Ads campaigns with a focus on precise audience targeting, optimal location selection, and strategic budget allocation. Ensured continuous performance monitoring and adjustments to maximize results.

TOOLS

Google Search Console, Ahrefs, Ubersuggest, Google Analytics, Microsoft Clarity, Meta Business Suite, Google Tag Manager.
