

Neenu VP

SEO ANALYST

Phone: neenuvp93@gmail.com

Mobile: 9562213738

Experienced SEO professional with expertise in off-page SEO strategies, cloud stacking, expired domain hunting, backlink analysis, spam checking, and website audits. Proficient in using industry-leading tools like MajesticSEO, Ahrefs, Moz, and SEMrush to improve website authority, identify link opportunities, and ensure site health. Skilled in optimizing off-page strategies and conducting comprehensive audits to enhance search engine rankings and drive organic growth.

EXPERIENCE

SEO Analyst | Ignite First Solutions, Kerala

2016 JULY – PRESENT

- Finding and Purchasing expired Domain names that still have high authority, backlinks, and traffic that match the niche of the website or business.
- Evaluating the backlink profile's overall health, such as checking for broken links or spammy backlinks that could harm the website's ranking, examining the quantity and quality of backlinks to a website, identifying where they come from, and analysing the anchor text used.
- Provided a local cloud stacking link-building service that delivered high- authority cloud backlinks (GCP,AWS,AZURE) for websites and Google My Business (GMB) profiles.
- Extensive experience using Word Press as a content management system, including creating and publishing blog posts.
- Experienced in preparing prospectus for guest posting, including identifying target websites, crafting pitches, and outlining the benefits of publishing guest posts.
- I have a strong working knowledge of various SEO tools Like Ahrefs, SEMrush, Moz, Majestic SEO, that are essential for improving website rankings and driving more traffic to website and knowledge of both on-page and off-page SEO technique.
- Experience with HTML,and MS Office.
- Working knowledge in AI writing & research tools (Chat GPT, Jasper AI)
