

Taniya C A

About Me

With over 3 years of experience in the corporate world, I've developed a flexible, results-driven approach to my work. I thrive in dynamic environments, having honed the ability to juggle multiple responsibilities and manage priorities effectively. My diverse background has shaped my path, I've become more adept at organizing my workflow and improving productivity, while maintaining a keen focus on efficiency and time management. I'm excited about the opportunity to bring my skills to new challenges and continue growing, both professionally and personally.

Experience

June 2023 - Nov 2024

SparkSupport Info Tech

SEO Analyst cum Digital Marketor

At SparkSupport, I managed all-round marketing activities from the ground up, playing a key role in developing and executing strategies to increase brand visibility and drive business growth. I was responsible for overseeing multiple facets of marketing, with a particular focus on content creation and website management.

- Content Creation & Strategy
- Market Research & Competitor Analysis
- Social Media Management & Brand Engagement
- Lead Generation & Conversion Optimization
- Reporting & Performance Analytics

March 2022 - May 2023

AdPumb Pvt Ltd

Digital Marketor Executive

At Adpumb, I worked as part of the digital marketing team, overseeing a range of activities related to website SEO, social media management, and product marketing. I collaborated with the marketing team to implement effective strategies, drive traffic, and increase the visibility of Adpumb's products and services.

- Website SEO & Content Optimization
- Social Media Marketing & Strategy
- Product Marketing & Strategy Implementation
- Cross-functional Team Collaboration
- Campaign Management & Performance Analysis

July 2021 - Jan 2022

UBL Group

Digital Marketor Executive

I started my career at UBL as a Digital Marketer, where I was responsible for managing and executing digital marketing strategies for UAE-based clients. I played a pivotal role in promoting their social media profiles and developing comprehensive strategic plans to enhance brand presence and engagement.

- Social Media Strategy & Profile Management
- Website Optimization & User Experience
- Strategic Planning & Client Collaboration
- Campaign Performance Monitoring & Reporting
- Digital Marketing
