Education

Mar. 2016 – Mar. 2019

Bachelor of Computer Application @JNASC Edavanna, Malappuram, Kerala

- During my college years, I actively participated in the IEDC (Innovation and Entrepreneurship Development Centre) Summit organized by Kerala Startup Mission. Additionally, Also i started my internship during my third year. These experiences really guided me and helped me figure out the best direction for my career.
- I created a website for my college's NSS (National Service Scheme) team. The website included features for managing a blood bank and a notice board for important announcements.
