WORK EXPERIENCE				
Areveur Digital CEO & Co-Founder			(Dec 2023 – Present)	
My blend of creativity, strategic vision, and operational prowess, coupled with hands-on experience in brand creation and digital marketing, ensures business growth and exceptional results for your company.				
Groot Solutions Pvt. Ltd. Digital Marketing Expert			(April 2023 – Nov 2024)	
As a Full-Time Social Media Manager and UI/UX Designer, I excel in crafting captivating visual content and executing strategic social media campaigns, driving tangible results and enhancing brand visibility in the competitive digital market.				
Thinkdom Part-Time Consultant			(June 2023 – Oct 2023)	
I bring fresh design concepts, meticulous attention to detail, and a dedication to creative excellence, making me a valuable addition to any company seeking innovative design expertise and collaborative teamwork.				
Brew for You Full Time - Social Media Manager & Graphic Designer			(August 2022 – March 2023)	
With a strong aesthetic sense and talent for visual storytelling, I deliver compelling designs that enhance brand identities and engage audiences, contributing creatively to meet diverse visual communication needs and drive brand loyalty.				
Byond Intern			(July 2021 – August 2022)	
Enthusiastically immersing myself in diverse projects as an intern, I acquired valuable hands-on experience, exhibiting a proactive approach and a drive for excellence, positioning me to contribute effectively with fresh perspectives and a commitment.				
Miscellaneous Freelance Graphic Designer			(June 2020 – May 2021)	
Embarking on a journey of continuous learning and growth as a freelance graphic designer, I possess a diverse portfolio and a hunger for advancement, making me a promising asset for companies seeking fresh creative talent.				
PROJECTS				
Sugarbox	As a UI designer and Shopify web developer, I seamlessly integrate sleek interfaces with robust e-commerce functionality, offering companies a valuable asset for enhancing online presence and driving conversions effectively.			
Two-Goats	As a graphic designer, my experience collaborating with top-tier brands like HP, Intel, AMD, and Microsoft underscores my ability to deliver premium-quality visual solutions and elevate brand identities effectively.			
Klothink	I did a project, crafting a captivating landing page for "Klothink," showcasing expertise in UI/UX design and Web Development (HTML & CSS), driving engagement and offering a competitive edge in the online marketplace.
