EXPERIENCE

OneTeam Solutions Pvt Ltd (2023 - 2025)

Senior Graphic Designer

During my tenure at One Team Solutions, one of the leading IT training institutes in Kochi, I served as a Senior Graphic Designer, where I had the opportunity to Develop creative and innovative design concepts including branding, marketing collateral, digital assets, social media graphics, short videos and motion graphics, in collaboration with cross-functional teams to ensure the overall marketing and business objectives.

Here, I got a chance to develop my knowledge and expertise by taking additional roles such as Videography and Video Editing. As a result of this diverse experience, my knowledge of the interrelated facets of digital design and and its connection to the related fields has improved.

Addax Digital (2021 - 2022)

Creative Graphic Designer

During my time at Addax Digital, I had the invaluable opportunity to immerse myself in the dynamic field of graphic design. Where, I served as a Creative Graphic Designer and supported the senior design team in the execution of design projects, from concept development to final production.

During this time I had the opportunity to attend client meetings to gather requirements and present design concepts, demonstrating strong communication and interpersonal skills. Where I got many chances to attend seminars regarding Market Research and Trend Analysis which helped me in understanding the marketing trends and design techniques.

Ninjas Virtual Reality (2021)

Internship

This was a formation period of graphic designer inside me. Where, under the mentorship of senior designers, I actively contributed to various projects and honed my skills in both print and digital design. This internship provided me with a solid foundation in graphic design principles, strengthened my technical skills, and equipped me with practical experience in a professional setting.
