KEVIN THOMAS VARGHESE

GRAPHIC DESIGNER

PROFESSIONAL SUMMARY

Hey! I'm a creative soul and a strategic thinker, specialized in Graphic Design with 4 years experience. My passion lies in crafting visual elements that are not only eye-catching but also meaningful and aligned with brand strategy.

WORK EXPERIENCE

November 2020 - Present

Graphic Designer, Nomofomo Studios

- Designed and created visual concepts for digital and print materials, including logos, brochures, websites, and advertisements.
- Collaborated with clients and marketing teams to translate concepts and brand identity into compelling design solutions.
- Utilized design software (Adobe Creative Suite, Canva, CapCut, etc.) to produce high-quality visual content. Developed branding strategies and maintained consistency across all marketing materials and platforms.
- Managed multiple design projects simultaneously, ensuring timely delivery of high-quality designs. Edited and refined designs based on client feedback and project requirements.

April 2024 - August 2024

Graphic Designer, PowerUp Publicity & Advertising W.L.L, Bahrain

- Created wireframes, mockups, and prototypes to visualize design ideas and improve user experiences. Worked closely with developers to ensure design elements were effectively integrated into websites and applications.
- Stayed updated on design trends and best practices to ensure designs were modern and relevant. Conducted research on market trends and competitors to inform design direction and strategy.

CAREER SUMMARY

- Proficient in Adobe Creative Suite (Photoshop, Illustrator, InDesign, After Effects). Skilled in digital and print design (brochures, flyers, posters, social media assets)
- Ability to translate client briefs into visually compelling design concepts. Strong communication and collaboration skills for working with clients and teams.
- Experience in branding, logo design, and identity development. Knowledge of design trends, tools, and techniques for current and future projects.
- Detail-oriented with a keen eye for visual consistency and quality control. Strong project management skills, handling multiple deadlines and deliverables.
- Ability to receive and incorporate constructive feedback into designs, and can work as a team as well as individually.
- Experience with animation and motion graphics. Understanding of web design best practices (SEO, responsive design, accessibility)
